BRYSON

Reps and Warranties Insurance (RWI) Mio

The Key Features of RWI Mio:

PROGRAM SPECIFICATIONS

Premium and Fees: Minimum premium is $40,000, with underwriting fees ranging from $15,000 to $25,000.

Deductible: Typical deductible is $75,000, with a minimum of $50,000.

Policy Period: A 5-year policy period covering all risks (general, fundamental, and tax).

Ease of Underwriting: No underwriting call or review of diligence documents is required.

Coverage Details: The policy includes a dedicated section outlining all covered risks.

COST & COVERAGE

For a deal with a $1,000,000 limit (enterprise value of $10m or less), the total cost is approximately $77,000. The program is designed for enterprise values from $1m to $100m, with limits available from $1m to $10m (typically covering 10%-30% of the enterprise value, but up to 100% can be acquired).

QUICK QUOTING AND BINDING

We can provide a quote within 48 hours after receiving a signed LOI and financials (and a draft purchase agreement if available). The underwriting process is straightforward, and a policy can be bound within a week.

WHY RWI MIO?

This product is specifically suited for deals in the $1m to $25m range, making RWI insurance available to lower middle market deals that previously would not have made sense due to price.
